1106 | 200 ML

Terra Vita

Detoxifying. Purifying. Lightening.

A mild, gentle, yet very effective, peeling agent for face, body and scalp. The basic action enables free radicals to be bonded and a natural ion exchange to take place, which removes toxic substances and opens clogged pores. It absorbs excess sebum while exerting a detoxifying, lightening and regenerating effect. Best suited for all skin types, especially oily and acneic skin. Apply a thick layer of Terra Vita to wet skin. Let it dry for 3-5 minutes. Massage lightly with moist fingertips in a circular motion and then rinse with warm water. Refresh with toner.

Active ingredients:

Mineral Clay (many minerals and trace elements), Marigold (Calendula) Extract, Jojoba Oil
1160 | 150 ML

Pre-Peel Forte Cream

Rejuvenating. Refining. Illuminating.

The soft-peeling Pre-Peel Forte Cream exfoliant, which activates blood circulation, has a very unique and instantly smoothing and rejuvenating effect. It helps to combat impurities and early signs of aging by visibly improving the skin's texture, tone, and elasticity while reducing the appearance of large pores. The end result is an instantly radiant complexion that will last between 12-24 hours. Perfect for special occasions, acne after-care, or as a peel prep for other treatments. Best suited for all skin types, except for hypersensitive skin. Apply a thin layer of Pre-Peel Forte Cream to freshly cleansed skin 2-3 times a week, avoiding the eye area. It is expected that you will feel some warmth and see reddening of the skin, this is a normal reaction as it activates blood circulation. After 20 minutes, thoroughly wash off with warm water. Your skin may visibly continue to redden over the next 30 minutes, even though the product has been removed, this too is normal. **IMPORTANT:** Do not apply during pregnancy or to hypersensitive skin.

Active ingredients:

Salicylic Acid, Niacinamide (Vitamin B3), Pansy
